## FAQ's

### **WHAT IS HSN SHARE SQUAD?**

HSN Share Squad is a program that allows you to make money by sharing HSN products you love with your social network. After signing up, you can create affiliate links to post on your social media account(s). When anyone makes a purchase at HSN.com through your link, you receive a 5% commission on the item price.

### **HOW DO I GET STARTED?**

To join the HSN Share Squad, just click the “Join now” link above and fill out the online application. When your application has been reviewed and accepted, you will receive a welcome email with instructions on how to set up your account, create links, view your dashboard and receive commissions.

### **HOW WILL I GET PAID?**

Commissions are paid via direct deposit. Simply enter your banking information during setup and we'll automatically deposit qualifying commissions into your bank account—it's that easy!

### **WHAT DO I NEED TO DO TO GET PAID?**

Once you've created an account and are logged in, enter your banking information in the “withdrawal settings” section of the dashboard.

### **WHAT ARE AFFILIATE LINKS—AND WHY DO I NEED THEM?**

Affiliate links enable us to track sales so that we can determine your commissions. Before posting, visit your account dashboard to create an affiliate link for each of your item posts. (NOTE: If you post an item without using an affiliate link, you will not make a commission on sales of that item.)

### **CAN I POST/SHARE ANY PRODUCT FROM HSN?**

You can post any brand/item on HSN.com with some limited exclusions. Brands not eligible for commission are included in our terms and conditions.

### **WHERE CAN I VIEW MY ACCOUNT INFORMATION?**

Your account dashboard is where you'll view and manage all of your account activities, including bank information, link creation and commission tracking. Log in to your Share Squad account to view your dashboard.

### **WHAT IF SOMEONE RETURNS AN ITEM PURCHASED THROUGH MY LINK?**

If a product is returned for a refund, or if credit card charges are reversed due to a dispute or credit card fraud, your account will be debited for commissions earned on that transaction. If a product is returned in exchange for new merchandise, or if goods are lost or damaged and we ship replacement goods to the customer, your commissions will not be affected.
