¹ New and returning Premium users only. Valid payment method is required. Premium content and features subject to change. Must activate within sixty days of device activation. In-store and online plans are annual memberships only. ² Battery life varies with use and other factors. Always-on mode requires more frequent charging. Fast charging enables 24 hours of charge with 12 minutes of charging. Notifications and on-wrist calls available when phone is nearby. Voice assistant availability and features may vary. See fitbit.com/voice. Google is a trademark of Google LLC. Skin temperature variation tracking and SpO2 are not available in all markets. The SpO2 feature is not intended to diagnose or treat any medical condition or be relied on for any other medical purpose. ³Subscriptions required for use of music services; not available in all countries. ⁴See bank availability at fitbit.com/fitbit-pay/banks. ⁵The Fitbit ECG app is only available in select countries; not intended for use by people under 22 years old. See fitbit.com/ecg for additional details.
